Submit Article to Journal of Bone and Joint Diseases

Visit Journal website (www.jbjdonline.com) and visit submit article page. Register yourself with our online manuscript submission software 'Scripture'. Please read the guidelines to authors carefully and format article accordingly.

Step to Submission

Step 1: Read Authors Instructions and prepare the manuscript in proper format. Keep following files formatted and ready in a word document: title page, cover letter, Blinded manuscript with abstract including tables and figures

Step 2: Login to Scripture. Start a new Submission and after preliminary questions submit the abstract and authors details. Next submit the blinded manuscript file. After the blinded manuscript all other files like title page, cover page and original figures [jpeg format] can then be uploaded as supplementary files.

Step 3: A final approval will be asked and after approval a submission acknowledgement mail will be sent to the corresponding authors email. This is very important mail as it contains the article ID and a link to track the progress of the article online on Scripture System

Normally the review process takes anywhere from 6 weeks to 12 weeks time. We will request all UPOA Members to become reviewer for our journal by registering online on Scripture system as reviewer. This will help us reduce the reviewing time and will also be helpful for many to learn the review process
